CHIEF

MEMBER BENEFIT

Know how you lead. *Even under pressure.*

The higher you go, the less honest feedback you get. The Hogan suite, included with your Chief membership, gives you a clear read on your leadership style, what drives you and how you show up under pressure.

INCLUDED WITH YOUR CHIEF MEMBERSHIP

Three views of you, one clearer picture.

Your bright side

HPI

What people see when you're at your best, and the strengths you can lean on as your role grows.

Under pressure

HDS

What shows up when you're stretched thin, so you can catch it before it shapes your reputation.

What drives you

MVPI

The values behind your decisions, the culture you create and where you'll do your best work.

HOW MEMBERS USE IT

Get clear on how you lead, what motivates you and the environments where you do your best work. Your results are yours to explore, and if you have Coaching, you can bring them into your sessions.

WHAT YOU'LL WALK AWAY WITH

Clarity on your leadership style

Understand how you naturally lead, and where your style has the most impact.

Blind spots, before they cost you

Name the behaviors most likely to affect how you're seen, and manage them on your terms.

Know what drives you

See the values behind your decisions, and what makes work feel worth it.

A clear read on yourself

See patterns no single test shows, like a strength that turns into a derailer under pressure.

Where you do your best work

Understand the environments and cultures where you thrive, and where you're likely to clash.

Why Hogan

A best-in-class leadership assessment, backed by decades of research and benchmarked on 14M+ assessments.

MADE FOR MEMBERS WHO ARE

- Stepping into a bigger seat
- Senior leaders, where blind spots cost more
- New in a role, or in a merger or turnaround
- Hearing the same feedback again
- Ready to understand how you lead
