

CHIEF

Chief is the private network executive women rely on to maximize their leadership impact. Each member gains access to this curated community, along with valuable insights to raise their leadership game.

The majority are sponsored by their organizations.

An investment in your executive is
an investment in your company.

Develop

Give your leadership team better, quicker insights.

88%

of members say that Chief helped drive career advancement

Network

Gain access to the largest community of senior executive women.

77%

of the Fortune 100 are represented in our membership

Retain

Advance and retain a diverse executive base.

76%

of members say they feel more supported in their career

Your organization also benefits from this sponsorship by:

- Supporting and retaining top talent by investing in their development.
- Raising brand awareness among industry leaders.
- Gaining access to vetted talent.
- Getting in front of industry VIPs.
- Tapping into an unmatched network of thousands of executives across all industries.
